FROM THE RECTORY

A belated Happy New Year to all our readers.

For our Christian churches, the season of Christmas has been left behind, although not forgotten, we are passing through the season of Epiphany and soon will be approaching Lent and preparing for Easter. Being a 'moveable feast' (unlike say Christmas Day), Easter is always somewhere between 27th March and 24th April, this year Easter Sunday falling on the 9th April; please see elsewhere in the Hexagon for service times.

Another commemorative day in the life of the church will shortly be upon us, namely Women's World Day of Prayer, (or more recently known as World Day of Prayer). Always the first Friday in March, our Benefice service will be held in St Mary's Church Walsham le Willows at 2.30pm Friday 3rd March. All are welcome, whether male or female.

Each year a different country is chosen as the focus, and this year the service contents have been written by the Christian Women of Taiwan. A country that has for many years been caught in a superpower struggle. Taiwan has been isolated internationally for decades, with only 13 of the 193 United Nation member states, along with the Vatican City/Holy See, prepared to recognise Taiwan as a sovereign country.

China continues to claim Taiwan as its territory, and it thought that the risk of conflict may be at its highest level for decades. The people of Taiwan are in need of our prayers. The theme for this year's service is 'I Have Heard About Your Faith,' taken from St Paul's letter to the Ephesians, chapter 1 verses 15-19.

The World Day of Prayer has been active in Taiwan since 1955, put together by the Young Women's Christian Association (YWCA). The Constitution in Taiwan protects the basic human right to freedom of religion. Taiwan is regarded as one of the very most religiously diverse countries in the world. The YWCA report that all the denominations coexist peacefully working on their own ministries, with each able to take different positions on various issues.

Due to persecution by the Chinese Communist Party in the 1950s, Christian Churches fled to Taiwan. As a religion Christianity makes up just under 7% of the general population; but has been allowed to contribute significantly to the country's social development, education and medical care.

We thank the Christian women of Taiwan for putting the service contents together, and appropriately themed refreshments will be available after the service.

WALSHAM LE WILLOWS COMMUNITY COUNCIL FOOD BANK THANK YOU

As a community, we all know it isn't right that anyone should be left hungry or worrying about how to feed themselves or their family. Your Community Food bank, working with a network of agencies works to provide emergency food and support to those in our community who find themselves in crisis.

A massive THANK YOU to all of you, who have supported your local Food Bank in 2022. We could not give out our food parcels without your donations. Your amazing kindness and generosity for others in your community means that in the last 12 months, in response to referrals from the agencies we work with, we have been able to give out 7,659.65 kg in weight to those needing support.

That is 214 parcels of food, each parcel contains basic long life foods for a week and basic hygiene provisions, to help support 706 individuals including 32 dogs and 34 cats.

Thank you from,
Amanda Ellis, the Food Bank team and your community.

Walsham le Willows and District WI January 2023

The Priory Room was all dressed up for our annual celebration of the reforming of our WI and from the familiar kitchen came a series of especially appetising and tasty scents. Turkey, roast pork and vegetables of every kind. Jugs of delicious gravy and Yorkshire puddings were piled on heated trays. Val's buffet had something for everyone!

Standing quietly in the corner was our screen and on it the first showing from our newly acquired high tech projector. Capable of storing all the photos of our activities, we finally have moved on from the magic lantern slides of yesteryear.

After a mammoth raspberry meringue was demolished together with a number of other delights it was entertainment time. Talented members whipped quickly through Charades and Pictionary amid much laughter. A secret vote was taken to choose one resolution from the list of four for debate in Cardiff at the NFWI Annual Meeting in May.

We had begun with our usual Jerusalem and to end we formed a circle for a rousing Auld Lang Syne. Fun and friendship there was a- plenty.

CITIZENS ADVICE

citizens
advice

Mid Suffolk

As the weather has turned colder, I've noticed mould and damp in our flat. It's mainly in our bedroom, including some black mould on the carpet. I've been chasing our letting agency, who say they'll speak to our landlord. I'm really worried about how this might affect our health. Our tenancy agreement isn't up for eight months, what can I do?

It's good that you've already raised the issue with your letting agency. Unfortunately, it isn't always easy to work out the cause of mould or damp. This can make it difficult to work out if your landlord is responsible, unless there's an obvious cause, like a leaking roof.

There are many causes of damp that properties can get. The most common are rising, penetrating, construction and condensation damp. On our website there is information that may help you work out what type of damp you have, who is responsible and what you can do. Check your tenancy agreement too for mentions of repairs and damp, and reach out to Citizens Advice on anything you're unsure about.

A landlord will have to act in relation to damp if it makes the property unsafe for someone to live in. This could be for example, if it is making the tenant or a member of their family ill. The landlord will also be responsible if the damp is related to repairs they should have carried out, like if heaters are broken. If the damp has damaged items that the landlord is responsible for, such as carpets and window frames, they'll likely have to cover the cost of repairs.

One of the most common causes of damp is condensation. To prevent this, it's important to keep homes well-heated and well-ventilated, but for a lot of people this will be trickier to do given the colder weather and higher heating costs. You may be eligible for help to insulate and heat your home, and should visit our website to find out more.

On our website we also have advice on things that can make damp worse and may impact the landlord taking responsibility for repairs. These include drying clothes on heaters or blocking air vents.

If your landlord is responsible for the damp in your property but doesn't act, there are steps you can take, such as reporting them to the local authority. If you're in social housing you might also be able to use the landlord's formal complaints procedure. There is more information about this on our website. If it reaches the point where you want to get out of a fixed term tenancy agreement early, speak to Citizens Advice Mid Suffolk first, as there might be better ways to approach the issue. You may also find helpful information on <https://www.citizensadvice.org.uk/housing/renting-privately/during-your-tenancy/dealing-with-repairs/>

Citizens Advice Mid Suffolk can provide advice on this and other issues, including debt, employment, benefits and family law. You can contact them on 01449 676060 or use the contact form at midsuffolkcab.org.uk/contact-us. More information and our opening hours can also be found at midsuffolkcab.org.uk/contact-us.

Beginners Guitar
Ricky Wilkinson MBE ricky5844@aol.com

Learning Folk Guitar for children year 2 and up.

Hi. My name is Ricky Wilkinson and I live in Westhorpe.
Until lockdown I was teaching guitar in Guildhall Feoffment Primary School in Bury St Edmunds. I also run Phoenix Children's Folk Group based in Bury St Edmunds. Members learn to play and sing plugged in to our sound system for charities, festivals and various concerts.

In Folk Guitar children learn songs to sing accompanied by a variety of plucks and strums on guitar to enable them to perform solo or in a group. My Phoenix group performed all the music for Langham Church Carol Service last Christmas on 12th December 2021.

If you know a child who would like to learn to play guitar and sing so they can perform, please email me for further details. I can give private lessons in your home or if there are 6 or more wishing to learn I can use Westhorpe village hall at a suitable time after school which would be much cheaper than individual private lessons. I am DBS checked to teach guitar and run the Phoenix group. Parents are always welcome to stay and watch.
